Subject: Children's smokefree air conference

Stig,  
I just had the agenda from Truls re the conference in Oslo  
October 11. I am in the process of preparing possible action  
from RR.s side. But I also have the following suggestion /  
would it be possible that the Norwegian NMA or PM at the conference  
delivered a paper, a statement which clarifies  
our position and also gives some scientific background information.  
The paper and the statement should at the same time be delivered  
to media with a spokes person contact number.  
I feel that we have to be participating in some way,  
not necessarily being there in person, but taking the  
opportunity to stress that we are for an age/limit  
and that we regard smoking being an adult habit. We can  
also talk about our accomodation policy / which of course is vital when  
children are present etc etc.  
What do you think?

Regards,  
Ingemo
